(3) and (4) for discussion/consultation with the Town Attorney and/or Town Staff for any of the above matters, personnel matters and real estate.

Roll Call:

Members of the Town Council may attend electronically and/or telephonically.

Information:

The Town Council has been provided background information for agenda items in advance by staff and appointed commissions, committees, and boards. Decisions are based on this information, as well as Town policy, practices, input from constituents and a Council member's personal judgment.

Public Hearing Items:

The Town Council wants to ensure that public comments are received at the proper time and place to be most effective. For some comments to be legally considered by the Town Council they must be presented at a properly noticed public hearing specifically related to a certain issue. This includes comments related to zoning, public improvement projects, assessments, code enforcement or other issues that are by State law or Town Code subject to a hearing process. You may be advised by the Town Council and/or the Town Attorney to present comments related to the issues listed above at the appropriate forum to assure that your comments are given proper consideration.

Consent Agenda Items:

These items are considered to be routine and non-controversial by the Town Council and will be approved by one motion. There will be no separate discussion of these items unless a Council member requests, in which case the item will be removed from the consent for discussion later in the agenda.

Public Comment:

This is an opportunity for members of the public to bring an item that is not on tonight's agenda but related to the governance of the Town of Kearny, to the attention of the Town Council. In providing this limited public forum, the Town of Kearny expects respectful participation. We encourage all speakers to be courteous in their language and deportment, and to confine their remarks to those facts that are germane and relevant to the question or matter under discussion. Please remember that this is a public business meeting, available for viewing by members of the public, including children. Obscenity, and profane or indecent language will not be tolerated by the presiding Council member. Anyone wishing to address the Council should calmly raise a hand until called upon to make your comments and identify yourself by your first and last name and your address for the record. Please limit your comments to three (3) minutes. No discussion or action will be taken by the Council on this matter. If requested by the Council, Town staff will prepare a report for the Council regarding the matter and place it on the next agenda.
